AGEHR Area II has made arrangements for housing at the University of Scranton for our 2009 conferences and Festivals. The list below was graciously provided by the University of Scranton should you require or desire off site accommodations. AGEHR Area II makes no endorsement or recommendation regarding information on this list. Please consult your travel planner, tour director or travel agent regarding relevant information.

Please be aware that, in general, hotel, motels or other establishments of commercial hostelry **normally do not** include any insurance coverage of musical instruments of any kind, particularly those of metals such as horns, wind instruments and, in our case, handbells. Please make sure your handbells are properly insured for the entire duration of your trip to and return from our festival.
