

Twice Tolloed Tales

AGEHR AREA II

March 2007

Message from the Chair

Kathie Bittenbender

Well – It's snowing. I guess that can be good news or bad news. Bad news – I missed two bell choir rehearsals tonight and we have a concert coming up! Good news – It's Valentine's Day and I got stuck in the house with my husband! AND – We don't have nearly as much snow here in the Harrisburg area as some of you do in the Oswego area! I hope everyone is staying warm!

The 2007 Area II Festival Conference and Young Ringers Festival are coming together. By now you should have received your registration packet. I know some of you have already registered. Chris Braden and I made a trip to Oswego, NY (the day before the snow started!) to see the brand new ice rink which will be our ringing floor. We know you will be happy with our accommodations in Oswego. No, the dorms are not air conditioned – but the breeze off the lake provides natural air conditioning. All other buildings are air conditioned. Make your plans now to attend Young Ringers (June 26-28) or Festival (June 28-July1). You won't be disappointed!

The schedule is still being finalized, but for those of you wondering..... The Young Ringers' Concert will be Thursday, June 28 at 2:30 pm and the Festival Conference Concert will be Sunday, July 1 at 4:00 pm. Many classes and special concerts are being planned. Howard Moser is the conductor for the young ringers, Debbie Rice is the masterclass conductor, and Tim Waugh will be our Festival conductor.

I hope you will take the time to read this edition of Twice Tolloed Tales from cover to cover. You will want to make note of several things:

- 1 – Area II's new Spring Reading Session Workshops – you can still host one!
- 2 – The ballot for Area II officers is being put together – now is your chance to commit to getting more involved!
- 3 – Our Endowment Committee has awarded some monies! Let's keep the donations coming so we can grant more!
- 4 – Our mentoring program continues to grow.

It is time once again to think about hosting one of our Fall Workshops. These are full day workshops. We would really like to have two in each state. If you would be willing to host one of these please contact your state representative. It would be great if we could advertise these workshops at Festival Conference.

We welcome Art and Lee Morgan as our new Area II Historians. Lynn Rapp is now our newsletter editor. You will also notice we have several new members since our last newsletter. If any of these new members live near you, please extend a welcoming hand to them. Our membership is slowly diminishing. We all need to keep in touch with each other and encourage others to renew and to take advantage of the many things our area has to offer.

Again, I hope to see you Oswego. I'm sure their snow will be gone by June! Stay warm and healthy everyone.

Best Wishes,

Kathie Bittenbender

The first name in handbell music, supplies and equipment should be your first choice for handbell service and repairs!

Why Your Handbells Need Servicing...

Just like any musical instrument, handbells play and sound better when they are properly maintained. Part of this maintenance should include regular servicing by trained professional technicians. Your handbells could need servicing if you answer yes to any of the following:

- Are your bells growing progressively harder to play?
- Are your bells more than five years old and have never been serviced?
- Do they produce sounds that could be described as squeaks, clicks, thuds or clangs?
- Do their clappers seem to stick or not move freely?
- Are handles and handguards worn or difficult to read?
- Are their castings tarnished?

Why Choose Jeffers Handbell Supply...

You trust Jeffers Handbell Supply to provide you with quality handbell equipment and supplies. We have built our reputation on providing these in a timely, professional and friendly manner at a reasonable cost. You can expect no less when you choose Jeffers to service your handbells.

We fully stand behind our work and are not finished until you are completely satisfied!

Mentoring Report

February 9, 2007

Marilyn Shenenberger

We had 3 Orientation workshops in November. Our clinicians were Art Morgan, Denise Pearson, and Millie Fischle. Millie held hers in 2 parts, which she found very helpful to reinforce what she had begun a few weeks earlier.

We had 2 Mentoring Workshops in November, and one in January, for which our clinicians were Bernie Garrett and Carol Roman. Carol's January workshop was a full day workshop, at which she worked with the adult choir in the morning and the youth choir in the afternoon.

We have four requests for workshops that have not yet been scheduled from other churches and schools.

Based on the January printout from Dan Virzi, 12 "Congratulations, you've won a free handbell workshop" letters have been mailed, and 13 "Welcome to AGEHR, we'd love to send a clinician to do a half-day workshop for \$100."

SPRING READING WORKSHOPS!!!

Area II will be sponsoring **SPRING READING WORKSHOPS** in 2007!

A listing of those already set up is included in this issue of *Twice Told Tales*, along with a registration form.

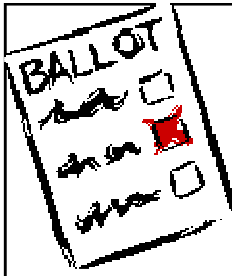

Would you like to ring through new repertoire from various publishers? Here is your chance to ring and look at the music for the rest of 2007! General music, Thanksgiving, Advent and Christmas (can you believe it!) is included.

We would like to have these workshops **ALL OVER Area II**. Look at the listing and if there is not a workshop being held in your area, why don't you host one? You pick the date and provide the location from 9:00 to 12:00, and we do the rest! Please contact Peggy McNamee at

peggymc@malachy.com or call her at 412/761-8910 in the evenings, 412/281-4050 during work hours. It's not too late to set one up.

Come and join us, it's a great way to meet other handbell directors and ringers!

A community handbell choir

Area 2 Ringer Pursues Dream

In January, Erin Glendening, a former TTT editor and Area II webmaster, looked up and saw that her stars were in alignment...all pointed toward Raleigh, NC. Being unemployed in Pittsburgh for several months made the decision easier to audition for The Raleigh Ringers. None of Erin's friends had any question that her star was in ascent. They were right. Erin is one of four new ringers in this premier, internationally known community handbell ensemble, all of whom re-audition each year!

Erin's handbell journey to Raleigh began in Pella, Iowa where she grew up, learned to ring at church, and went to the college where her dad teaches. Like a lot of ringers, Erin began in the junior high church choir, but by the time she was in college, an adult choir was formed and Erin and her mother both joined. Erin moved to Pittsburgh after college but her mom still rings bells at Second Reformed Church in Pella.

In Pittsburgh, Erin found a church home at ShadySide Presbyterian where there was a handbell choir. Fate had it that Erin eventually became the director of this choir. Erin continued to expand her own skill set by learning solo and ensemble ringing. She also joined the Volkwein Ringers, a community group, so she'd have a chance to ring. When that group disbanded, Erin looked for another place to ring and joined the advanced choir at Mt Lebanon United Methodist Church. She understands the importance of ringing to a director.

Erin's desire to become a member of The Raleigh Ringers really began when the group made their first Pittsburgh

appearance. Erin couldn't wait to help. In addition to working on the committee, she helped to unload the truck and set up the stage for the concert. Being a techie, she got to sit in on their rehearsal and was impressed with director Dave Harris's way of working with the team, his high standards, and his music selections. Erin had the opportunity to experience his tutelage first hand as a participant in the Masterclass under Dave at the Area II festival in 2005 at Bucknell University.

"So Erin, what is life like with The Raleigh Ringers?" this writer asked. "Intense," she replied! The group is preparing thirteen pieces for their new concert season that begins April 14. Rehearsals begin at 7 pm and do not end before 10:30 pm. The seventeen ringers are all totally committed to the art form and do their best to help each other. "We have to think outside the box all the time," says Erin. "The difficulty of the music means that we have to look out for each other all the time. The other ringers have been really good about making suggestions to help me learn all this new music."

As a new member of the group, Erin received a ringer membership to AGEHR. She has always valued her membership in the Guild and is grateful for the experience that she had during her time on the Area II Board of Directors. If you'd like to see Erin in her premier season, check the website (www.rr.org) for concert details. The group will be performing at the AGEHR Seminar in Dallas in July and will be in Harrisburg November 30 and Pittsburgh December 1.

Calling All Beginning Handbell Directors!!

Area 2 AGEHR has a new learning experience for beginning handbell/handchime directors and those who are considering assuming this position. On Saturday, April 21, the Western PA Handbell Festival will be held at The Community United Methodist Church of Harrison City. This one-day festival is designed for handbell choirs that play level 1 and 2 music; selections that are on the “easy” side of the difficulty scale. During the morning of April 21, we will offer a seminar for beginning directors while the festival choir is being rehearsed: 9:30 am until 12:30 pm.

Topics to be covered include:

Equipment: what do I need and how do I take care of it?

Ringers: what skills do new ringers need?

How many ringers do I need?

Music: How do I know what music I need?

How do I “prepare” the music I have selected?

Rehearsal: How do I prepare myself for the first rehearsal?

How do I teach my ringers the music?

How do I run an effective rehearsal?

Techniques: What exactly are handbell/handchime techniques?

How can I learn them? How do I teach them?

Conducting: What arm movements work for handbells?

How do I communicate with my ringers?

Education: Where can I learn more?

Are there books that can help me?

If you need help in answering any of the above questions, please consider registering for the Beginning Director’s Seminar on April 21st. The cost is \$20. You may register by calling or writing to Susan Simmons, event registrar. Check should be made to Western PA Directors Group.

The seminar clinician will be Nancy Lutz. She is director of handbells at Mt Lebanon United Methodist Church in Pittsburgh where she has a graded children’s program, a youth choir and three adult ensembles. Active in both the Area and National American Guild of English Handbell Ringers, Nancy currently serves AGEHR as Secretary to the National Board.

Do You Know??

Are you aware of the many grants and scholarships Area II has to offer? The Betty B. Garee Scholarship is for first time attendees to Area Festivals and Seminars as well as National Seminars. The Charlie Cramer Scholarship is for non-ringing "roadies" who help to move all your bells and equipment.

Grants from the Endowment Fund can help to supplement your present set of handbells or handchimes, or to get you started buying them. Area II offers grant monies (up to \$250) to sub-areas who are trying to get an annual workshop and/or festival started. "Special grants" have been awarded to mission projects that have been undertaken by members of Area II.

Area II has a very active Handchime Lending Program. Each state has several sets of handchimes to lend to schools or churches interested in starting a new handbell or handchime program.

New to the Area is the Mentoring Program that can bring personalized handbell help to you, your church or your school. Area II will send a clinician to you for a workshop that addresses your particular needs!

How can you find out more about all of these? Check out our website www.area2agehr.org. You may download the necessary forms there. Not web-savvy? Then call or e-mail any Area officer! We'll send you a brochure and application.

Take advantage of all that Area II has to offer you!

Solo Ringer to Perform in PA Area

Nancy Hascall of Lake Oswego, Oregon has performed as a handbell soloist since 1989 and has taught solo and ensemble ringing at all levels, both privately and for regional, national, and international handbell events.

Performing throughout the U.S., Canada and Australia, she has become known for her graceful ringing style and sensitivity, as well as her dazzling technique. In her quest for greater musicality and access to a wider repertoire, Nancy developed a system of techniques called traveling four-in-hand, which is now used by handbell soloists throughout the world.

In addition to performing, conducting, and teaching, Nancy has authored several articles on ringing techniques for *Overtones* magazine, and has more than twenty compositions and arrangements in print, including works for handbell solo, duet, quartet, and choir. In 2003 Nancy recorded her first CD, "Ringing From the Heart," available online at:

<http://www.heavenlyhandbells.com/recordings.htm>

Nancy directs Portland-based community handbell choir Bells of the Cascades and the Sanctuary Bell Choir of Portland First United Methodist Church. With her husband Glen, she still rings in the handbell choir at Lake Grove Presbyterian Church where she was first introduced to bells over twenty-five years ago.

"Probably the thing that impresses me the most about Nancy is that when she plays, it's just so extremely musical - it has phrase and line and beauty, and I've never seen anyone play like that, EVER. And of course all of that carries over into her conducting as well." -- Dr. William Payn, Composer, Handbell Clinician, and Director of Choral Studies at Bucknell

University

"Nancy Hascall, performing her beautiful arrangement of Bach's 'Arioso in D' with such artistry that the audience held its breath as the final note died away before leaping with a rush to its collective feet. That was a jewel of a musical offering." -- Tamara Raetz, in a review of the 2002 Area X Handbell Conference for Handbell-L Again, she sets the standard for the rest of us in artistry." --

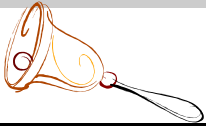

Charlotte Hoover, Handbell Soloist, Seattle, WA"

"When Nancy rings bells, it's as if she is singing lyrics. I call her Wonder Woman, she is a very inspirational person." -- Mary Kidd, Director of Music Ministries, Lake Grove Presbyterian Church, Lake Oswego, OR

"We witnessed some of the most graceful, energetic and engaging solo ringing we've ever seen. She thrilled the audience with 'Joshua' and dazzled them with the 'Maple Leaf Rag.' Her 'Arioso' was breathtaking, and her encore, 'What Can the Matter Be?' was lighthearted and fun.

Everyone who attended the concert will be telling their friends about the incredible concert opportunity that they missed." -- Heather Keith, Bells of St. Andrews and the Bronze Foundation, Ontario, Canada.

Nancy will be teaching at the Solo Ensemble Extravaganza July 25-29. She is planning a concert tour the following week. If you would like to sponsor a concert you may contact her at Nancy.Hascall@verizon.net
